License keys are purchased subject to a defined duration and expiry date, where continued use of the license keys may require a renewal fee. Subject to these restrictions on Customer's use of the Software, Customer may make a reasonable number of copies of the Software (a) to support the authorized use of the Software and (b) for backup, disaster recovery, or archival purposes, provided that all copies shall include all copyright notices and restrictive rights legends appearing in or on the original Software as received from Xcerra.

PROPRIETARY INFORMATION

Customer agrees that the Software, including the specific design and structure thereof, documentation in printed and electronic forms, and any other confidential business, technical or financial information disclosed to Customer ("Proprietary Information") constitute trade secrets, proprietary information and/or copyrighted material of Xcerra. Customer agrees not to use (except as allowed hereunder) disclose, provide, or otherwise make available such Proprietary Information in any form to any third party without the prior consent of Xcerra. Customer agrees to implement reasonable security measures to protect such Proprietary Information.

From time to time Xcerra may release upgrades to the Software in the form of new versions, patches, bug fixes, or other improvements to the Software. If Customer purchases, receives or downloads an upgrade, this Agreement will automatically be extended to include both the original version of the Software and the upgrade.

TERM

This Agreement is effective until terminated. Customer may terminate this Agreement at any time upon written notice to Xcerra. Xcerra or any third party from whom Xcerra may have obtained a respective licensing right may immediately terminate this Agreement if Customer fails to comply with any material term or condition of this Agreement and all related agreements. Upon termination of this Agreement, Customer shall immediately discontinue all use of the Software and either return to Xcerra or destroy the Software, all associated documentation, and all Proprietary Information, together with all copies thereof in any form, and provide to Xcerra written certification of its compliance with this Section.

LIMITED WARRANTY

Xcerra warrants that the Software will, for a period of one year after Customer's initial receipt of the Software, operate in conformance with any specifications set forth in Xcerra's published software product description or published technical manuals, provided the Software is properly installed by Customer or Xcerra on a system or other platform specified by Xcerra and which meets Xcerra's standard applicable hardware, software and diagnostic specifications.

During the warranty period, Xcerra will take steps at its own expense to bring into conformance any non-conforming portion of the Software identified by Customer if it is established by Xcerra that the cause of the non-conformity lies in the Software. During the warranty period, Xcerra will make available to Customer without additional charge, such updates to the original Software as may be made generally available.

In order to obtain service under this warranty, Customer must notify Xcerra in writing before the expiration of the warranty period of a defect that causes the Software not to operate in conformance with Xcerra's published specifications, and make suitable arrangements for Xcerra to provide warranty service in accordance with any instructions received from Xcerra. If Xcerra is unable, within 30 days or some reasonable longer period of time, if 30 days is unreasonable, in Xcerra's determination, after receipt of such notice, to correct a defect, Customer may terminate the license granted for the Software herein, and return the Software and any associated material to Xcerra.

This warranty shall not apply to any Software that has been altered or modified except as authorized by Xcerra. Xcerra shall not be obligated to furnish service under this warranty if (a) the Software has been used in an operating environment other than that specified, (b) the Software has been used in a manner inconsistent with the user's manual or other documentation, (c) Xcerra has not been notified of the alleged error or malfunction within the warranty period specified above, or (d) the Software has been integrated with other software if the result of such integration increases the time or difficulty of analyzing or servicing the Software or the problems ascribed to the Software.

THIS WARRANTY IS GIVEN BY XCERRA IN LIEU OF, AND XCERRA AND ITS VENDORS DISCLAIM, ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. XCERRA DOES NOT WARRANT THAT OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE OR THAT ALL ERRORS WILL BE CORRECTED, THAT THE SOFTWARE IS SUITABLE FOR ANY PARTICULAR USE, OR THAT ANY CONTENT OR INFORMATION MADE ACCESSIBLE BY THE SOFTWARE IS ACCURATE. XCERRA'S RESPONSIBILITY TO PROVIDE REMEDIAL SERVICE OR REPLACE DEFECTIVE MEDIA IS THE SOLE AND EXCLUSIVE REMEDY PROVIDED TO CUSTOMER FOR BREACH OF THIS WARRANTY. ANY LIABILITY OF

XCERRA WITH RESPECT TO THE SOFTWARE OR THE PERFORMANCE THEREOF UNDER ANY WARRANTY, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY WILL BE LIMITED EXCLUSIVELY TO REPAIR OR REPLACEMENT OF THE SOFTWARE, OR THE REFUND OF ANY LICENSE FEE PAID BY CUSTOMER, AT XCERRA'S OPTION.

IN NO EVENT SHALL XCERRA OR OTHERS FROM WHOM XCERRA HAS OBTAINED A LICENSING RIGHT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOSS OR DAMAGE TO DATA, EVEN IF XCERRA OR SUCH OTHERS HAS ADVANCE NOTICE OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL XCERRA'S LIABILITY ARISING OUT OF OR RELATING IN ANY WAY TO THIS AGREEMENT, REGARDLESS OF THE NATURE OR THEORY OF LIABILITY, EXCEED THE AMOUNT PAID BY CUSTOMER FOR THE SOFTWARE.

THIRD-PARTY SOFTWARE AND DISCLAIMER

The Software may contain software products licensed by Xcerra from third parties and sublicensed to Customer ("Third-Party Software Products"). In addition to the terms of this Agreement, your use of any Third-Party Software Product is governed by the sublicense agreement specific to that product, which is incorporated here by reference as if set out in full. In the event of any conflict between the terms of this Agreement and the terms of the incorporated sublicense agreement, the terms of the incorporated sublicense shall apply with respect to the third-party software at issue. Except as expressly provided in this Agreement or any applicable sub-license agreement, the third parties from whom Xcerra may have obtained a licensing right with respect to Third-Party Software Products incorporated in the Software do not warrant the Software or any part of it, do not assume any liability with respect to its use, and do not undertake to furnish any support or information relating thereto.

TAXES

Customer shall pay when due all property taxes that may now or hereafter be imposed, levied, or assessed with respect to the possession or use of the Software or this license by Customer and shall file all reports required in connection with such taxes.

EXPORT

Customer agrees to comply with all applicable export laws and restrictions and regulations if it exports or re-exports any Software, derivatives or copies thereof, or any product accompanying the Software.

GENERAL

This Agreement contains the entire agreement between the parties with respect to the subject matter. Any modifications of this Agreement must be in writing and signed by Xcerra. Neither this Agreement nor the license rights granted by and through this Agreement are assignable or transferable by Customer without the prior

written consent of Xcerra. This Agreement shall be governed by the laws of the Commonwealth of Massachusetts (excluding its conflicts of laws principles and excluding the United Nations Convention on Contracts for the International Sale of Goods). The parties agree that the jurisdiction and venue of any action with respect to the transactions contemplated herein shall be the state or federal courts in Boston, Massachusetts, and each of the parties hereby submits itself to the exclusive jurisdiction and venue of such courts for the purpose of any such action. In any action to enforce this Agreement, the prevailing party will be entitled to recover all of its costs and expenses, including its reasonable attorney's fees. To the extent EC law is applicable, the restriction on reverse engineering is limited to prohibit such activity to the maximum extent without violating the EC Directive on the legal protection on computer programs. If any of this Agreement is found to be void or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.
